

Barclays

Across

1 - The business and its owner are one and the same. The individual is liable for the 'business' debts

5 - A person who has an idea for a business or enterprise and is prepared to take a risk without the certainty that a profit will result

6 - A company whose owners only have to pay part of the money they owe if the company fails financially

8 - The type of services Barclays provide

Down

2 - The legal structure through which shareholders stand to lose only the value of their shareholdings and are not further liable for the company's debts

3 - Capital that is subject to considerable risk. Often called 'risk capital'

4 - Someone who has lent money and therefore to whom money is owed

7 - The amount of money that flows in and out of the business in a given period of time
